GUARANA

PRIMARY EFFECT OF CONSUMPTION

GUARANA

is a natural source of caffeine, which is slowly ingested, while providing a long-lasting effect without irritation of the stomach.

SAFE

SHOT&GO IS A DRINK YOU CAN TRUST.

ADVANTAGES OF SHOT&GO:

INNOVATIVE FORMULA

It is a perfectly balanced combination of vitamins, minerals and natural stimulants.

QUICK AND LONG-LASTING EFFECT

It is a boost of energy, a surge of vitality and strength for significantly long period of time, without the effect of withdrawal.

SAFETY

Each can of Shot&Go drink is produced on the modern equipment, with the use of high-quality ingredients only made in Austria and under very strict quality control.

SHOT&GO

It is a loyal companion of active life, which helps to stay toned and achieve more every day.

FULL OF ENERGY

SHOT&GO IS PERFECT FOR:

- ✔ **ATHLETES**
who is looking for powerful but safe way to recover quickly after workout.
- ✔ **ENTREPRENEURS and OFFICE WORKERS,**
who need to stay focused and productive throughout long working hours.
- ✔ **STUDENTS,**
who study for exams, when each minute is "as valuable as gold".
- ✔ **TRAVELERS and ADVENTURERS,**
who require additional energy for outdoor activities and new discoveries.

GLOBAL

POPULAR IN MANY COUNTRIES OF THE WORLD

ONE OF THE FIRST AUSTRIAN BRANDS LOCALIZED IN RUSSIA

- **Austria**
- **Russia**
- **Australia**
- **New Zealand**
- **Hong Kong**
- **Tahiti**
- **Chile**
- **Paraguay**
- **Greece**
- **Italy**
and others
